About Us

At the Children's Therapy Center, we often see families at their worst; when they have just learned that their child has a life-altering or life-threatening condition.

Medical professionals often focus on the child's expected limitations. We focus on what the child *can* do and encourage parents to see that with appropriate therapy and consistent effort, there is hope for a brighter future!

We've been providing this life-changing therapy to kids with disabilities and delays throughout eastern Iowa and western Illinois since 1949 – regardless of a family's ability to pay for needed services! With over two hundred kids on our waiting list, our services are needed now more than ever!

Currently, over 75% of the services provided are not reimbursed, so fundraising is really important!

Our compassionate and dedicated team provides unrivaled outpatient therapy services to kids with a variety of diagnoses and conditions to help them reach their highest level of independence:

 **Physical Therapy** promotes gross motor development and independence with mobility, balance, gait, play and daily living skills.

 **Occupational Therapy** promotes independence with self-help skills, fine motor skills, independent living skills and play.

 **Speech Therapy** promotes independence through the development of a child's speech and language skills.

 **Feeding Therapy** enables infants, toddlers, and older kids to overcome feeding and swallowing disorders.

QCCG Virtual Tally Tracking/Point Scoring

- There will be four virtual events (Burst Your Thirst, Learn & Earn, Virtual Fitness Walk, and Virtual Interval Class) that will be scored in combination at the conclusion of the Quad Cities Corporate Games.
- Points won't directly be scored from each specific event, but instead a "point tracking tally" will be kept for each and will be based on the total number of participants that check in and/or completed the given virtual event.
- The top six companies in each division will receive "tally tracking points." These points will be used as a placement tracking mechanism and not be added to the QCCG Leaderboard.
- See below for virtual event tally tracking points.

Virtual Event Tally Tracking	
1st	10 pts
2nd	9 pts
3rd	8 pts
4th	7 pts
5th	6 pts
6th	5 pts
7th+	0 pts

- At the end of games, tally tracking points from all four virtual events will be combined, totaled, and scored. The top six companies placing in each division will earn points to be added to the QCCG Leaderboard. If there is a tie, teams will split both placing points evenly.
- See below for virtual event final scoring.

Final Virtual Event Scoring	
1st	500 pts
2nd	400 pts
3rd	300 pts
4th	200 pts
5th	50 pts
6th	50 pts
