PLAYING RULES

SCORING / CLOCK MANAGEMENT:

1. The game will consist of 11 points scored or a 10-minute running clock except during time-outs. A coin flip will determine first possession. The alternate possession rule will be in effect after the coin toss.
 - A. All baskets will be 1 point unless clearly shot from behind the 19' 9" line. Baskets made from behind this line are worth 2 points.
 - B. If neither team has reached 11 points by the end of the 10-minute regulation, the team with the most points at the end of the time limit will be declared the winner.
 - C. **Overtime:** If the teams are tied at the end of regulation, a 1 minute, running clock overtime will be played to determine the winner (no cap of 11 points). If no winner is determined after one overtime period, the second overtime will result in sudden death. A coin flip will be used to determine first possession at the start of each overtime.
 - D. Each team is allowed 1 time-out per game (30 seconds in length).
The clock will stop during time-outs, and time-outs can be taken any time during regulation play. Teams will not have a time-out during overtime periods.
The clock will stop in the event of an injury.
 - E. The court monitor will be the official time keeper and scorer.

"TAKING BACK", "CHECKING", BALL POSSESSION, AND FOULS:

1. **The ball must be taken back behind the 2 point arc on each change of possession.**
 - A. Change of possession includes a defensive rebound, made basket, "air ball" recovered by the defensive team, a turnover or a stolen ball by the defensive team.
 - B. Taking back means both feet of the ball handler must be behind the check line. Failure to do this will result in loss of possession.
 - C. After all out-of-bounds, fouls, and made baskets, the ball must be taken back to the top of the 2 point line and "checked". **"Checking" consists of bouncing the ball to the defense who then bounces the ball back to the offense.**
 - D. The ball must be passed in after being "checked" by the opposing team on a made basket or dead ball situation. If the ball is dribbled in, the ball must be rechecked then put into play, no change of possession should occur.
 - E. The back side of the backboard is out-of-bounds; if the ball goes over the backboard or comes in contact with any of the basket supports, it is out-of-bounds. However, the sides and bottom of the backboard are in-bounds.
 - F. A jump ball will be awarded by alternate possession following the coin-toss to open the game.
2. **Officials will call fouls and violations.**
 - A. Anytime a basket is MADE and a FOUL is called, the basket counts and possession goes to the defensive team.
 - B. Anytime a basket is MISSED and a FOUL is called, the player who is fouled will shoot one, dead-ball free throws worth one (1) point. Possession will alternate following the free throw and the defensive team will take over.
 - C. Non-shooting fouls - On or after the 7th team foul - teams will enter a bonus situation and be awarded a free throw worth one (1) point. If made the free throw is made, possession goes to the defense. If the free throw is missed, the offensive team retains possession.
 - D. If any individual player **commits 4 personal fouls**, he/she is to be considered "fouled out" of that game and must leave the court. The player will be allowed to play again once a new game for their team starts.

QUAD CITIES

CORPORATE GAMES

- E. **Intentional/Flagrant/Technical Fouls** will result in ejection from the game and award the opposing team two points and the ball. A second offense will result in ejection from the tournament.
3. **NO DUNKING ALLOWED AT ANY TIME.** If this occurs, point and possession will be lost. Dunking during pre-game will result in a technical foul.
4. Any player or fan involved in fighting or continuous misconduct during a game (including: abusive behavior and/or language; flagrant and/or excessive fouls; rough play; and abusive behavior toward the court monitors, tournament officials, event staff and all other players) will be disqualified from the tournament. All disqualified players or fans must leave the tournament site.
5. **Stalling during a 3 on 3 game defies the principles of street basketball.** An unwritten 30 second clock is in effect at all times, and may be enforced by the court monitor at his/her discretion. Failure to attempt a shot in 30 seconds, after being warned by the court monitor, will result in a loss of possession.

DODGEBALL POINTS OF EMPHASIS

Each game begins with 6 players (3 men and 3 women).
Best 2 out of 3 games. Games will have a time limit of 4 minutes.

Initial Rush

On the initial rush, each team is only allowed to retrieve the three (3) balls on their right. A ball may not be thrown until it is brought back past the attack line. Following the initial rush, balls may be thrown from any location within the players half of the court.

Elimination

An OUT is scored by:

- Hitting an opposing player with a LIVE thrown ball below the head.
- Legal catching a LIVE ball thrown by your opponent (throwing a ball that is caught).
- Causing an opponent to lose control of a held ball as a result of contact by a thrown LIVE ball.
- Stepping out of bounds to avoid being hit.

Dead Balls

A ball is "dead" if it hits an opposing player, the floor, wall, ceiling or any other object. Once a ball is considered dead, it won't eliminate a player. A ball hitting multiple players from the same team, only eliminates the first player hit.

Players may use a held ball to block live balls being thrown at them. Once a thrown ball hits a held ball, the thrown ball is considered dead and the player holding the held ball is not eliminated. If the thrown ball hits the player before hitting the held ball, that player is eliminated.

Catching A Ball & Re-Entry Rule

If a ball is caught, the opposing player who threw the ball is out and the team catching the ball may bring the next eligible player back into the games. **Players must re-enter the game in the order they were knocked out.**

A 4 minute time limit has been established for each contest. If neither team has been eliminated at the end of regulation, the team with the greater number of players will be declared the winner. If an equal number of players remain after regulation, a sudden-death overtime match will be played.

Overtime Procedure

The sudden-death overtime match will begin with all original players, who started the game, on the court. The first team to eliminate one (1) opposing player will be declared the winner.

Official Rules & Regulations

RULE 1: Players, Field and Equipment

Team

Teams will be made up of 6-12 players. Each game begins with 6 players (3 men and 3 women) competing on a side; others will be available as substitutes. Teams may begin with fewer than 6 players. Maximum of 3 men on the court at one time. Substitutes may enter the game only during time-outs or in the case of injury. Team will switch side after each game.

Equipment

Balls will be provided. Balls are not to be intentionally altered or manipulated. All clothes/uniforms are considered part of the player's body

QUAD CITIES CORPORATE GAMES

Elimination

An OUT is scored by:

- Hitting an opposing player with a LIVE thrown ball below the head:
NOTE: *if a player ducks or takes a position with their head below where their shoulders would normally be when standing, ie. Crouching, kneeling, sitting, diving, rolling or laying and this clearly is the cause for the player being hit above the shoulders, the player is out and the throw is considered legal.*

- Causing an opponent to lose control of a held ball as a result of contact by a thrown LIVE ball. (Usually occurs when a ball is being used to block a thrown ball).

If a ball is caught, the opposing player who threw the ball is out and the team catching the ball may bring the next eligible player back into the games. Players must re-enter the game in the order they were knocked out. Balls may not be caught off of a deflection of another player or wall.

Players may use a held ball to block live balls being thrown at them. Once a thrown ball hits a held ball, the thrown ball is considered dead and the player holding the held ball is not eliminated. If the thrown ball hits the player before hitting the held ball, that player is eliminated. If a ball is dropped due to blocking a thrown ball, the player dropping the ball is eliminated.
